C4. In the past 12 months, when getting care for a medical problem, was there a time when you had to bring an X-ray, MRI, or other type of test result with you to the appointment?

BringTest
1 Yes

2 No

C5. In the past 12 months, did you delay or not get medical care you felt you needed—such as seeing a doctor, a specialist, or other health professional?

DelayNeededCare

No, I received the medical care I felt I needed

I did not need any medical care in the past 12 months

C6. Are you covered by any kind of health insurance or health care plan, including employer-sponsored insurance, prepaid plans, or government plans such as Medicare, Medicaid or TRICARE?

HealthInsurance2

1 Yes

2 No

C7. How confident are you filling out medical forms by yourself?

ConfidentMedForms

4 Not at all

3 A little

2 Somewhat

1 Very

C8. How much do you trust the health care system (for example, hospitals, pharmacies, and other organizations involved in health care)?

TrustHCSystem

4 Not at all

3 A little

2 Some

1 A lot

C9. Have you ever been treated unfairly or been discriminated against when getting medical care because of your race or ethnicity?

DiscriminatedMedCare

1 Yes

No

#### D: Telehealth

D1. A telehealth visit is a telephone or video appointment with a doctor or health professional.

> In the past 12 months, did you receive care from a doctor or health professional using telehealth? ReceiveTelehealthCare

- 1 Yes, by video
- 2 Yes, by phone call (voice only with no video)
- Yes, some by video and some by phone call
- 4 No telehealth visits in the past 12 months

D2. In the past 12 months, were you offered the option to have a telehealth visit for any medical care you tried to schedule?

OfferedTelehealthOption

- Yes
- No → GO TO E1 on the next page
- 3 I did not try to schedule any medical care in the past 12 months → GO TO E1 on the next page
- D3. Did you choose **not** to participate in a telehealth visit for any of the following reasons?

GO TO D4

in the next

column

- a. I preferred to have the appointment(s) in person.....
- b. I was concerned about the privacy of telehealth visits..... 1
- c. I thought the telehealth technology would be difficult to use.....

THNo TooDifficult

If you have not had a telehealth visit in the last 12 months, go to E1 on the next page

Otherwise, go to D4 in the next column

D4. Why did you choose a telehealth visit(s) for yourself?

		103	110
a.	The health care provider recommended or required the visit use telehealth  THYES HCPRecommended	1	2
b.	I wanted advice about whether I needed in-person medical care	1	2
	I wanted to avoid possible infection at the doctor's office or hospital (for example, COVID-19 or flu)	1	2
d.	It was more convenient than going to the doctor (for example, less travel or wait times)	. 1	2
e.	I could include family or other caregivers in my appointment	1	2

D5. What was the primary reason for your most recent telehealth visit? Recent Telehealth Reason

## Mark only one.

- 1 Annual visit
- Minor illness/acute care (for example, fever, sinus infection)
- 3 Managing my chronic health condition/disease (for example, high blood pressure, diabetes, heart disease, obesity, cancer)
- 4 Medical emergency
- Mental health, behavioral, or substance abuse issues (for example, depression, anxiety, drug or alcohol abuse)
- 6 Other

D6. In general, how much do you agree or disagree with the following statements regarding your telehealth visit(s)?

b. The care I received through telehealth was as good as a regular in-person visit...... 1

c. I was concerned about the privacy of my telehealth visit(s)..... 1 Telehealth\_ConcernedPrivacy

#### **E: Medical Records**

Next, we are going to ask you some questions about online medical records. Online medical records, also known as patient portals, are secure websites that allow people to access their health records and communicate with health care providers using a computer or smartphone health app.

E1. Have you ever been offered online access to your medical records (for example, a patient portal) by your...

		Yes	No	Know
a.	health care provider?	1	2	3
b.	OfferedAccessHCP3 health insurer?	1	2	3
	OfferedAccessInsurer3			

E2. Have any of your health care providers, including doctors, nurses, or office staff ever encouraged you to use an online medical record or patient portal?

160	ord or patient portain
_	HCPEncourageOnlineRec2
1	Yes
2	No

E3. For the next set of questions, please think about the online medical record or patient portal offered to you by a health care provider or insurer.

How many times did you access your online medical record or patient portal in the last 12 months?

— AccessOnlineRecord2

	5	I do not have an online medical record or patient portal that was offered to me by a health care provider or insurer. → GO TO E7 on the next page
	0	0 → GO TO E7 on the next page
1	1	1 to 2 times
J	2	3 to 5 times
)	3	6 to 9 times
Į	4	10 or more times

E4. How did you access your online medical record or patient portal?

	HOWACCESSUNIINERECORd2
1	Арр
2	Website
3	Both app and website
4	Don't know

E5. In the past 12 months, have you used your online medical record or patient portal to...

a. Look up test results?	1	2
<ul> <li>b. Download your health information to your computer or mobile device, such as a cell phone or tablet?</li> </ul>	1	2
c. Electronically send your medical information to a third party (such as another health care provider, a family member, or a smartphone health		
app)?	1	2
d. View clinical notes (a health care provider's written notes that describe your visit)?	1	2

Yes No

E6.	How easy or difficult was it to understand the health information in your online medical		F: Caregiving
	record or patient portal? UnderstandOnlineMedRec2 Very easy  Somewhat easy  Somewhat difficult  Very difficult	F1.	Are you currently caring for or making health care decisions for someone with a medical, behavioral, disability, or other condition?

> Sunburned\_Alcohol 1 Yes 2 No

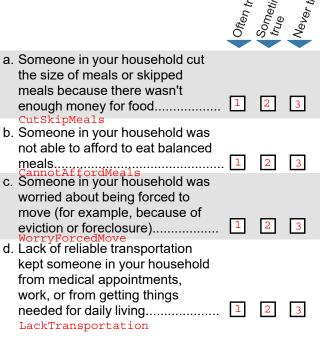

Sunburned Dk

J5. After several months of not being in the sun very much, if you went out in the sun for an hour without sunscreen, a hat or protective clothing, which one of these best describes what would happen to your skin?

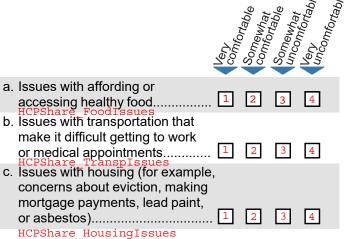

SunEffectAfter1Hour 1 Get a severe sunburn with blisters 2 Have a moderate sunburn with peeling 3 Burn mildly with some or no tanning 4 Turn darker without sunburn 5 Nothing would happen to my skin

#### **K:** Social Determinants of Health

K1. In the past 12 months, how often were the following things true?

K2. If you were experiencing one of the issues below, how comfortable would you be with your health care providers sharing your information about these issues with each other for your treatment purposes?

## L: Health and Nutrition

L1. Think about the last time you ordered food in a fast food or sit down restaurant, did you notice calorie information listed next to the food on the menu or menu board?

NoticeCalorieInfoOnMenu

1 Yes

2 No

L2. These are examples of one drink of alcohol:

During the past 30 days, how many days per week did you have at least one drink of any alcoholic beverage?

During the past 30 days, on the days when you drank, about how many drinks did you drink on average? DrinksPerDay

Average drinks per day

L4. For males: During the past 30 days, how many times did you have 5 or more alcoholic drinks on one occasion?

> For females: During the past 30 days, how many times did you have 4 or more alcoholic drinks on one occasion?

DrinksOneOccasion

1 Never

2 1 or 2 times

3 to 5 times

4 6 to 10 times

5 11 or more times

L5. In the next 12 months, I am likely to...

AlcoholIntent

1 Drink less alcohol than I do now

2 Drink about as much alcohol as I do now

3 Drink more alcohol than I do now

I do not drink alcohol now, and do not plan on drinking alcohol in the future

L6. Have you ever heard or read that alcohol increases the risk of cancer?

HeardAlcoholIncreaseCancer

1 Yes

2 No

3 Don't know

L7. In the past 12 months, have you heard about the negative health consequences of drinking alcohol from doctors or other health care professionals?

HCPAlcoholConsequences2

l¹l Yes

No → GO TO L9 below

I have not had any medical appointments in the past 12 months → GO TO L9 below

1 Decreases risk of future health problems

2 Has no effect on the risk of future health problems

3 Increases risk of future health problems

4 Don't know

# M: Physical Activity and Exercise

M1. In a typical week, how many days do you do any physical activity or exercise of at least moderate intensity, such as brisk walking, bicycling at a regular pace, and swimming at a regular pace (do not include weightlifting)?

TimesModerateExercise

None → GO TO M3 below

1 1 day per week
2 2 days per week
3 3 days per week
4 4 days per week
5 5 days per week
6 6 days per week
7 7 days per week

M2. On the days that you do any physical activity or exercise of at least moderate intensity, how long do you typically do these activities?

HowLongModerateExerciseMinutes
Minutes of physical
activity per day

M3. In a typical week, outside of your job or work around the house, how many days do you do leisure-time physical activities specifically designed to strengthen your muscles such as lifting weights or circuit training (do not include cardio exercise such as walking, biking, or swimming)?

TimesStrengthTraining

- None
- 1 day per week
- 2 days per week
- 3 days per week
- 4 days per week
- 5 days per week
- 6 days per week
- 7 days per week

M4. During the past 7 days, how much time did you spend sitting on a typical day at home or at work? This may include time spent sitting at a desk, visiting friends, reading, driving or riding in a car, or sitting or lying down to watch television.

		mt otter
ı		AverageTimeSitting
		Hours sitting per day

#### **N: Tobacco Products**

N1. In the **past 3 months**, how often, if at all, have you noticed the health warnings on cigarette packs?

CigPackWarnings

- 1 I did not see any cigarette packs in the last 3 months
- 2 Never
- 3 Rarely
- 4 Sometimes
- 5 Often
- 6 Very often
- 7 Don't know

N2. For the next few questions please think about **all tobacco products**, including cigarettes, e-cigarettes, smokeless tobacco, cigars, pipes, hookah, roll-your-own, and heated tobacco products

During the **past 3 months**, have you noticed or heard any **anti-tobacco messages** (that is, messages that talk about the dangers of tobacco products or encourage quitting) in any of the following places?

## Mark all that apply.

1	Inside or outside stores that sell tobacco products (including product displays and signs) AntiTobacco Stores
1	AntiTobacco Stores On billboards (including by the roadside, places like

N4.

N5.

N6. The next few questions are about electronic cigarettes (e-cigarettes) that **contain nicotine**. You may also know them as vapes, vape-pens, tanks, mods or pod-mods.

E-cigarettes are battery powered devices that contain a liquid that is vaporized and inhaled.

Compared to smoking cigarettes, would you say that using e-cigarettes that **contain nicotine** is...?

ElectCigLessHarm2

- Much less harmful
- 2 Less harmful
- Just as harmful
- 4 More harmful
- Much more harmful
- 7 I don't know
- N7. Have you ever used an e-cigarette, even one or two times?

UsedECigEver

1 Yes

2 No → GO TO O1 in the next column

N8. Do you now use an e-cigarette every day, some days, or not at all?

UseECigNow

- 1 Every day
- 2 Some days
- 3 Not at all

# O: Cancer Screening and Awareness

O1. How interested are you in having a cancer screening test in the next year?

InterestedCaScreening

- 1 Not at all
- A little
- 3 Somewhat
- 4 Very
- 5 Not applicable/I am up-to-date with screening tests
- O2. In the last 12 months, how much did worry about COVID-19 cause you to delay or avoid having a cancer screening test?

COVIDDelayCaScreening

- 1 Not at all
- 2 A little
- 3 Some
- 4 A lot
- 5 Not applicable (I had not planned to have a screening test)
- O3. At any time in the past year, did a doctor or other health professional talk with you about having a low-dose CT (LDCT) scan to check for lung cancer?

DocTalkLDCT

- 1 I have never heard of this test
- <sup>2</sup> Yes
- 3 No
- 4 Don't know
- O4. For males: GO TO O5 on the next page

**For females:** How long ago did you have your most recent Pap test to check for cervical cancer?

WhenPapTest

- A year ago or less
- 2 More than 1, up to 2 years ago
- More than 2, up to 3 years ago
- More than 3, up to 5 years ago
- More than 5 years ago
- 6 I have never had a Pap test

O5. There are a few different tests to check for colorectal cancer in people who have no symptoms. These tests include:

> A **colonoscopy** - For this test, a tube is inserted into your rectum and you are given medication that may make you feel sleepy. After the procedure, you need someone to drive you home.

> A **sigmoidoscopy** - For this test, you are awake when the tube is inserted into your rectum. After the test you can drive yourself home.

> A **stool blood test** - For this test, you collect a stool sample at home, and then provide it to a doctor or lab for testing.

> Has a doctor or other health professional ever told you there are a few different tests to detect colorectal cancer?

DocTellColorectalTests

- 1 Yes
- 2 No
- I have never discussed these tests with a doctor or other health professional
- O6. Have you ever heard of **HPV**? HPV stands for Human Papillomavirus. It is not HCV, HIV, HSV, or herpes.

HeardHPV Yes

No → GO TO O8 below

- O7. Do you think **HPV** can cause cervical cancer? **HPVCauseCervicalCa** 
  - 1 Yes
  - 2 No
  - 3 Not sure
- O8. A vaccine to prevent **HPV** infection is available and is called the HPV shot, cervical cancer vaccine, or GARDASIL®.

Before today, have you ever heard of the cervical cancer vaccine or HPV shot?

HeardHPVVaccine2

- 1 Yes
- 2 No

#### P: Beliefs About Cancer

Think about cancer in general when answering the questions in this section.

P1. How worried are you about getting cancer?

FreqWorryCancer

- 1 Not at all
- 2 Slightly
- 3 Somewhat
- 4 Moderately
- 5 Extremely
- P2. Compared to other people your age, how likely do you think you are to get cancer in your lifetime?

ChanceGetCancer2

- I already had cancer
- Very unlikely
- 3 Unlikely
- 4 Neither likely nor unlikely
- 5 Likely
- 6 Very likely
- 7 I don't know
- P3. How much do you agree or disagree with each of the following statements?

a. It seems like everything causes cancer.....

EverythingCauseCancer

 There's not much you can do to lower your chances of getting

- PreventNotPossible There are so many different

recommendations about preventing cancer, it's hard to know which ones to follow..... 'ooManyRecommendations

1 2 3

d. When I think about cancer, I automatically think about death..... 1 2

CancerFatal

<del></del>	
P4. How much do you think that each of the following could increase a person's chance of developing cancer?	Q1
A little Not at all Don't know	Γ
